

APASL 2026 ISTANBUL

35th ANNUAL MEETING OF **THE ASIAN PACIFIC ASSOCIATION FOR THE STUDY OF THE LIVER**

22-25 APRIL 2026
ISTANBUL, TÜRKIYE

JOIN ABBOTT AT APASL 2026!

We are pleased to announce that Abbott will participate in APASL 2026, hosting a satellite symposium focused on the latest clinical challenges and innovations in liver disease diagnosis and management. The meeting will highlight the role of advanced biomarker-based algorithms in improving risk stratification and patient outcomes in hepatocellular carcinoma.

APASL 2026 congress will take place in Istanbul Lütfi Kırdar International Convention and Exhibition Centre (ICEC), Türkiye from 22-25 April.

SCIENTIFIC SATELLITE SYMPOSIUM

UTILITY OF PIVKA-II AND MULTIVARIATE ALGORITHMS FOR SURVEILLANCE AND EARLY DETECTION OF HCC

DATE

23 APRIL 2026
(THURSDAY)

TIME

12:30 - 13:30 HRS.

VENUE

Hall 3 (Topkapı A)

TIME	TOPIC	SPEAKER
12:30	Opening session	Chaired by : CHUN JEN LIU, M.D., Ph.D Immediate Past President of TASL, Professor of Internal Medicine, National Taiwan University College of Medicine
